Chicago Strike.

CHICAGO, May 4.-The McCormick Resper Works opened as usual this

the railroads are doing business as usual.

220 p.m.—A riot is now in progress near the corner of Morgan and Righteenth Streets. The crowd of striking lumbermen and adherents made an assault on a body of police in that vieinity. The police charged the crowd repeatedly and were stoned and fired at by the rioters. In the encounter Detective Michael Granger was seriously and probably fatally injured by a flying stone. Officer John Strong was shot through the hand. Squads of police are hurrying to the scene. A number of rioters are reported shot. The casualties are not yet known. Great alarm exists in the southwestern portion of the city.

of rioters are reported shot. The casualties are not yet known. Great alarm exists in the southwestern portion of the city.

3 p. m.—The southwestern portion of the city this afternoon was a scene of another riot. Toward noon a crowd of anarchists and their friends assembled at the corner of Eighteenth and Morgan streets, for the purpose of holding a meeting. It is also said they intended to renew the attack on the McCormics Rape Tworks. The police, who had been notified of the affair, kept a close watch upon the proceedings. Hostilities commenced at 2:30, just in what manner it cannot be learned. A number of detectives in citizens clothes mixed with the crowd, numbering at this hour nearly a thousand persons. Detective Granger attempted to arrest one disorderly man, when the detective was immediately set upon by a howling mon. Before he could escape he was attack upon the head by a brick, and knocked senseless ma hadly injured. Revolvers were drawn and indiscriminate shooting began, during which officer John Strong was shot in the hand. A number of rioters were also injured. The police charged it is crowd and made seven arrests, capturing the man who threw a brick, and knocked senseless may during which officer John Strong was shot in the hand. A number of rioters were also injured. The police charged it is crowd and made seven arrests, capturing the man who threw a bricks, and larged the crowd and made seven arrests, capturing the scene.

The police have succeeded in dispersing a large crowd in the lumber district and order has been in a measure restored. The police force have been thoroughly organized and largely reinforced to prevent any new outbreaks.

The Strike Declared Off.

Sr. Louis, May 4.-Martin Irons, by whom the Gould Southwestern Railway sys em strike was ended, when asked what effect he anticipated the method of ending the trouble would have upon the Knights of Labor, said: "We were fighting for recognition, and we got it Congress, which represents all no of the United States. Is not complete enough recognition? order will grow after this even rapidly than it has during the few weeks, when applications have so numerous for charters that we it scarcely find time to consider

could scarcely find time to consider them."

In addition to the circular issued last nieht by the general executive board of Knights, ordering members of district assemblies 17, 83, 101, to apply to the railroad companies for positions scatted by them when the strike was commenced, an order was sent to the matter workmen of each local assembly informing them that the strike had been declared off and ordering them to notify all their men to make application for work to day. This order applies to the Knights in East St. Louis, This morning at 7 o'clock, large numbers applied for positions at headquarters of various companies and the names of many were immediately placed on the pay rolls. Some few, recognized as those who had committed depositions as were immediately placed on the pay rolls. Some few, recognized as those who had committed depredations upon the company's property, were denied re employment. The freight depots present an unusually busy aspect this morning, and the manifest measiness of the last mouth has entirely disappeared. It is expected that the militia will be withdrawn to-night or to-morrow. The local committee of knights, which or ered employees of the Missouri Car Foundry Company to strike, informed the men they could report for duty in all the departments for work to-day.

WINFIELD, Kans., May 4.- The pris oners confined in the Cowley County jail made a desperate attempt to escape jail made a desperate attempt to escape last night. Deputy Sheriff Herrod opened the jail door to fock the prison-ers in their cells, when they made a dash at him, armed with stove legs and lumps of coal. A blow on the head knocked Herrod down. One of the mards fired at the crowd and instantly killed W. P. Bennet, he jail for counterfeiting. Champlin received a severe blow on the head, which remotered him inseasible, and four prisoners succeeded in making their escape.

Very Kemarkable Recovery.

Mexican Cattle Thieves

GALVESTOS, Texas, May 4.—Governor Ireland yesterday received a dispatch stating that a band of Mexican soldiers crossed into Texas on the 1st inst., 200 crossed into Texas on the 1st inst., 200 miles below El Paso, and drove hack into Mexico 275 head of cattle, belonging to the ranch of J. C. McComb, Presidio County, Texas. The Governor was asked to order the State Rangers to pursue the thieves, but Adjutant-General King replied that as pursuit was not immediately made, the state troops could not be permitted to cross the Ric Grande now, and any redress must come through an application to Congress. Adjutant-General King advises McComb to collect the proof to use in calling the attention of the Federal authorities to the outrage.

What Locality is Exempt

Resper Works opened as usual this morning, full one-half the workness returning, despite the intimidation yes terday afternoon. A special fore of pelice are on duty to protect the men on their way to work. Several crowds were early reported gathering in the lumber district from whence the moby seatenlay proceeded. A strong detail of police are on duty at the Central Station, same as yesterday, and the entire force held in reserve for any sudden call. An attempt was made to hold a mass meeting on the praire where the incendiary speeches of yesterday were made, but the police dispersed the crowd.

The switchmen are slill at work and the railroads are doing business as maual.

230 p.m.—A riot is now in progress near the corner of Morgan and Eightenth Streets. The crowd of striking lumbermen and adherents made an assual on a body of police in that vicinity. The police charged the crowd repeatedly and were stoned and fired at the crowers. In the encounter Depeatedly and were stoned and fired at the trooters.
